Weight: 4.5g per earbud; 38g charging case

6. What's in the Box

ShopNest Pulse earbuds (left and right) Charging

case

3 sizes of silicone ear tips (Small, Medium, Large) — Medium pre-installed USB-

C charging cable (cable only, no wall adapter included)

Quick start guide

7. First-Time Pairing

Open the charging case lid with both earbuds inside. The earbuds will automatically enter pairing mode (LED inside the case blinks white). On your phone or device, open Bluetooth settings and select "ShopNest Pulse". Once connected, a voice prompt will confirm "Connected".

8. Pairing with a Second Device

The ShopNest Pulse supports multi-point connection with up to 2 devices simultaneously. To add a second device, open Bluetooth settings on the new device and select "ShopNest Pulse" — it will connect without disconnecting the first device, and audio will follow whichever device starts playing.

9. Re-Pairing After a Reset

If the earbuds aren't appearing in Bluetooth settings or won't connect, perform a reset: place both earbuds in the case, hold the button inside the case for 8 seconds until the LED flashes red three times, then repeat the first-time pairing steps.

10. Touch Controls

Single tap (either earbud): Play / Pause Double tap

(right earbud): Next track Double tap (left

earbud): Previous track

Triple tap (either earbud): Activate voice assistant

Press and hold (either earbud, 2 seconds): Cycle ANC mode (Noise Cancelling, then Transparency, then Off)

11. Available Colors

The ShopNest Pulse is available in 10 colors: Matte Black, Pearl White, Slate Blue, Red, Green, Purple, Silver, Gold, Navy, and Pink. All colors share identical specifications and performance — the choice is purely cosmetic. Availability may vary by color at any given time.

12. Pricing

The ShopNest Pulse is priced at \$79.99 USD across all available colors. Pricing is the same regardless of which color is selected.

13. Package Weight and Dimensions

The full retail package, including earbuds, charging case, ear tips, USB-C cable, and quick start guide, weighs approximately 120g. The charging case measures approximately 6.5cm x 5cm x 2.8cm, small enough to fit comfortably in a pocket or small bag pouch.

14. Firmware and Software Updates

The ShopNest Pulse does not currently support firmware updates via a companion mobile app. Touch control behavior and audio performance are fixed at the hardware level and do not change after purchase.

15. Voice Assistant Compatibility

The ShopNest Pulse supports triggering your phone's built-in voice assistant (such as Siri or Google Assistant) via triple-tap on either earbud. The earbuds themselves do not have a dedicated built-in voice assistant — they simply relay the trigger to whichever assistant is already set up on your connected phone.
